Notes for WHITE PYNES:

White's grandfather "Daniel Pynes" is credited with being the first citizen of Gordon, Alabama. He migrated from the Darlington District of South Carolina with his family in 1918. White's father "Benjamin Pynes" was 10 years old in 1918. In the Gordon Cemetery is a large commemorative monument honoring Daniel as the first citizen. When the Pynes family first arrived in Gordon it was called Open Pond.
